## What services can you offer me?

#### Help you find a job!

We help you develop necessary skills you need to find a job and get hired. We will use our contacts to help you connect with local employers. No experience? We can help you find internships and work assessments that will help you build the experience you need.

#### Help you find health care coverage!

**We** will help you find health care Coverage. No matter what your age, it's important to see a doctor at least once a year to maintain both mental and physical

health. An unforeseen accident without health insurance is one of the leading causes of long term debt. Get coverage now before it's too late!

#### Help you find training and education!

Maybe high school did not work out for you? There are other chances to get the education you deserve. Let us help you find a program that will get you trained to prepare you for your career!

#### Help you locate housing!

**Are** you tired of couch surfing? We can help you get off the couch and into your own Bedroom; by assisting you in locating temporary and long term housing.

#### Help you with life skills!

**Do** you want your license but feel like the process is too complicated? We can help you get the documents and forms you need. Do you really want a car but don't know how to

save for it? We will help you develop a budget and save your money!
