

**Draft Action Planning for Youth in Transition Grant**

**Re: Goal#7: State supports and sustains regional services for young adults Section of Logic Model**

<b><i>Objective: Regional services and Systems of Care are sustained beyond the Grant period with State funding.</i></b>	<b>Activities</b>	<b>Steps</b>	<b>Date to be Done</b>	<b>Person/Group Responsible</b>
Obtain State funding for YIT regional services and young adult leadership	Convince Legislature and AHS and DMH leadership that State funding is a good investment	Testify and advocate for State funding based on evidence of YIT effectiveness	State FY2014 and FY2015	DMH and VFFCMH
Demonstrate YIT effectiveness in engaging young adults, families and service providers and evidence of cost effectiveness (including cost avoidance)	Monitor and evaluate YIT regional services	Review bi-annual progress reports; review bi-annual reports about use of TIP and SIM models; make at least annual site visits with Regional Steering Committees and YIT staff  Interviews, data collection and analysis, dissemination of results	Beginning April, 2010	DMH, YIT State Team, VCHIP, MACRO (for Lamoille)
	Compare costs of services for young adults served by YIT vs. costs for similar group not served by YIT – especially those with subsequent DOC involvement	Research AHS, Court, and other databases	Beginning April, 2010	VCHIP
	With their permission, record stories (via narrative or pictures or movies, etc.) of young adults, families, and service providers positively affected by YIT	Pre-record stories and/or involve young adults, families, and service providers in testimony and advocacy for YIT sustainability	Beginning October, 2009 (at Collaboration Conference workshop)	VCHIP, VFFCMH and regional service providers (including HowardCenter CLC)
Strengthen YIT effectiveness	State YIT Team and regional Steering Committees and staff revise plans based on feedback as needed to improve results	State Team and Steering Committees review vision, mission, logic models, and stakeholder (including young adult and family) input to identify possible changes	Beginning September 23, 2010 (YIT Sharing Day at Lake Morey)	YIT State and regional Steering Committees and staff
	State YIT Team and regional Steering Committees and staff participate in training and technical assistance	Training and technical assistance delivered in accordance with YIT grant application and subsequent T&TA needs assessments	Beginning July 9, 2009 re: SIM and Critical Intervention	YIT State and regional Steering Committees and criminal justice

			Points	partners
	Involve young adults and families in design and delivery of all aspects of YIT	Add young adults and families to YIT State and Regional Steering Committees and/or create Young Adult Advisory Boards or Networks or other methods for ongoing involvement, to supplement existing (and emergent) strategies for family involvement.	Beginning February 1, 2009 with Invitation to Communities for strategic planning	YIT State and Regional Steering Committees and staff
